ABOUT THE 30 PLUS CLUB In an effort to reward, recognize and promote academic excellence, Fayetteville High School created a 30 Plus Club. To become a member of the 30 Plus Club, students must score a composite score of 30 or higher on the ACT College Admission Exam.

This is an impressive achievement considering that only 1% of students nationally score a 33 or above and only 2% of students score over a 32.

Students who score a 30 rank in the top 5% of all test takers in the nation.

A plaque will hang in the entrance of the school with a picture of the student, their graduation year, highest composite score and their name.

The college admissions and placement test is taken by more than 1.9 million high school graduates nationally and over 71,880 in Tennessee every year.
