CHILD'S NAME

Check one of the following:

I understand that my child's computer use at school is designed for educational purposes only. I understand that it is impossible to restrict access to all controversial materials available on the Internet. I understand that computer usage is considered a privilege. I have discussed the rules and regulations of computer use with my child. I have explained to my child the possible consequences if all regulations are not followed. I DO give my permission for my child to use classroom computer technology, including access to the Internet and Google email and Google Classroom.

I do NOT wish to give my child permission to use computer technology or access the Internet in school, Google email or Google Classroom. I understand that in denying permission, my child will NOT be able to use the educational software incorporated at the classroom level. I also understand that my denial will not affect the use of teacher-led, pre-viewed curriculum using the Internet in the classroom.
