

# FAYETTEVILLE CITY SCHOOLS

I hope this message finds you and your family well.

We are excited that school will be starting August 3rd and look forward to working with you and your children. Our number one concern is for the health and wellbeing of our students, faculty, and staff. Circumstances related to the COVID-19 pandemic seem to change on a daily basis and vary from one area to another.

I hope you have had the opportunity to view our system reopening plan and each school's individual plan. You can view these on our system website at [fcsboe.org](http://fcsboe.org) or on the school websites at [fcsboe.org/ras](http://fcsboe.org/ras), [fcsboe.org/fms](http://fcsboe.org/fms), and [fcsboe.org/fhs](http://fcsboe.org/fhs). Fayetteville City Schools is offering two quality options. We are offering traditional school and our Virtual Learning Academy where students can learn with instruction provided by Fayetteville City Schools teachers.

We understand that these may be difficult decisions you will make. We want this school year to meet your needs, and we respect that each family has to make a decision based on their individual circumstances.

In closing, I want to stress the importance of working together as we adapt to the ever-changing circumstances. I look forward to meeting with you soon.

Respectfully,

Bill W. Hopkins, Jr.

Director of Schools

Fayetteville City Schools
