**2020-21  
Handbook**

Dear Parents and Families of Ralph Askins School,

Whether you are new to Ralph Askins or a veteran Tiger, we welcome you to a great year of learning together. It's a new beginning, a fresh start, and a chance to enjoy the challenges and successes of learning and growing together. In this document you will find information regarding school procedures and behavioral expectations. At Ralph Askins, we value and maintain high academic and behavioral expectations for our students. The learning that takes place by our students each day represents building blocks that ensure future successes. We take this responsibility very seriously and want you to know that we are committed to the success of every child. Our highly qualified staff strives each day to challenge every child to reach their educational and personal goals.

Understanding that educating our children is a team effort, we believe your participation is essential in order for each child to reach his/her fullest potential. Ways in which you can participate and show your child that you place a high value in their education include volunteering within the classroom and joining our Title I Parent Involvement Committee. Your involvement also includes setting time aside for homework, open communication between parent, student, and teacher, and supporting the high behavior and academic standards set by our teachers and staff. This commitment is outlined in the Family-School Compact.

Our priority is to maintain a safe and healthy school environment for all students. In order to do this, we ask that you carefully read the handbook and clearly communicate the academic standards and behavior expectations with your child. For the success of all students, it is important that your child clearly understands expectations and potential consequences. **The handbook supplement pages will be sent home with this document and need to be signed and returned to your child's teacher.**

As always, I am available if you have any other questions or concerns. I welcome your visits, telephone calls, or e-mails. Feel free to contact me at 433-4319 or [stylesc@fcsboe.org](mailto:stylesc@fcsboe.org) to make an appointment to meet with me. The staff and I look forward to a great year ahead with you and your family. Thank you again for choosing Ralph Askins School for your child's learning adventure!

Sincerely,

*Dr. Claudia Styles*

### **TRANSPORTATION**

If a student wishes to take advantage of bus transportation, please contact the bus supervisor, Ron Perrin at 931-433-4473 or 931-433-5542 to obtain the correct information on the schedule and bus number for morning and afternoon. All bus riders are supervised each morning upon arrival and have the opportunity to purchase a breakfast. They are then allowed to proceed to their classrooms at 7:50. In the afternoon, each bus rider is dismissed to the main gym where he/she is supervised until their specified bus arrives.

**If your child will need to ride home with someone different or ride a different bus, YOU MUST SEND A NOTE with the following information: 1)Name of person making request, 2) Telephone number where you can be reached, 3)Address where student will be going. We WILL NOT allow a child to change his/her regular dismissal routine unless YOU notify the school in advance with a note or phone call including the information above. Please call the school prior to 1:00pm if you need to make a transportation change so we have time to notify the teacher and students of the change. After this time, your request may be denied. We always need to have the most up to date contact information including phone number and address so that we can reach you at all times. Please make sure that your contact information is kept current. We don't want to have an emergency with your child and not be able to reach you.**

**ABSENCES FROM SCHOOL** - If a student is absent from school for any reason, it is necessary to give notice to the school. Parents/Guardians are encouraged to call and let the school know the reason for the absence. When the student returns, they **MUST** have a note from the parent or health care professional to verify the absence **within 3 days** of that absence. An accumulation of more than **5** excused absences is considered excessive. A student who accumulates over **5** excused absences will be required to bring a doctor's note each day that he/she is absent thereafter. Any absences beyond this must be approved by the principal in order to be considered excused. If the student does not turn in a doctor's note, the absence will be considered unexcused. **When the student accumulates over 5 unexcused absences, an attendance referral will be filed.**

**Absences may be excused for the following reasons:**

- 1. Personal illness**
- 2. Illness of immediate family member**
- 3. Death in the family**
- 4. Extreme weather conditions**
- 5. Religious observances**
- 6. School activities**
- 7. Other circumstances cleared in advance with the principal**

### **LATE TO SCHOOL AND EARLY CHECK-OUTS**

**The school day begins promptly at 8:00 AM. TARDINESS RESULTS IN THE LOSS OF VALUABLE LEARNING TIME. PLEASE MAKE EVERY EFFORT TO HAVE YOUR CHILD AT SCHOOL ON TIME.** Any student arriving after 8:00 A.M. **MUST be signed in by an adult through the main office. Under no circumstances should a late student go directly to any classroom.** After 5 unexcused tardy check-ins or early check-outs a meeting with the principal will be requested. **A student will NOT receive a perfect attendance certificate unless ALL tardy issues are excused.** A doctor's note or principal approval will be considered an excused tardy. **A child that is late due to oversleeping or missing the bus will NOT be considered excused.** Any student checking out for any reason must sign out through the main office. Any student returning to school the same day must sign back in through the office.

***CHECK-OUTS:*** All check-outs must be done before 2:30. Please do not make last minute changes to your child's transportation through email or dojo. Best option is to make any changes the night before and send a note with your child as well as making a call to the office **BEFORE 1:00PM.**

**ALL visitors MUST check in through the main office and wear the appropriate identifying visitor badge, a mask, and receive a temperature check. An ID must be presented by all visitors when checking in to the office.** (See Fayetteville City Board Policy A 15)

### **HEALTH SERVICES**

A Student Health History completed by the parent will be requested for each student upon initial enrollment and an updated form must be completed at the beginning of each school year. Parents will be asked to make an appointment with the school nurse and principal to discuss any specific or serious health conditions, or change in the child's health status or change in medication.

#### **Medication Guidelines**

Any medication taken during school hours should be limited to that which is necessary to maintain a child in school. No school official or teacher will routinely assist in the self-medication of a student except in unique situations in which a child's health is dependent upon medical aid. To help ensure safety and accountability, the child will be supervised during self-administration of medication and written feedback will be forwarded to the parent/guardian regarding any problems.

If, under exceptional circumstances, a child is required to take medication during school hours and the parent, guardian, or school nurse is not available to administer the medication, only the principal or the principal's designee will assist in self-administration of the medication.

**NO MEDICATION WILL BE SUPPLIED BY THE SCHOOL OR SCHOOL SYSTEM. IT IS THE RESPONSIBILITY OF A STUDENT'S PARENT/GUARDIAN TO SUPPLY ANY MEDICATION TO BE TAKEN DURING SCHOOL HOURS, FOLLOWING THE GUIDELINES OF THIS POLICY.**

**A. Prescription Medication**

All prescription drugs to be taken at school shall be prescribed by a licensed prescriber on an individual basis and must comply with the following:

- (a) must be delivered to the principal's office by the parent/guardian of the student at which time the amount of medication will be recorded by school personnel
- (b) must be brought in the original pharmacy-labeled container and shall display:
  - Child's name
  - Prescription number
  - Medication name and dosage
  - Administration route or other directions
  - Date
  - Licensed prescriber's name
  - Pharmacy name, address and phone number
- (c) A physician's order and consent form signed by the parent/guardian must be on file at the school prior to any prescription medication being taken by the student. Also, any change in prescription medication must be authorized in writing by the licensed prescriber and signed by the parent/guardian.

All prescriptions for long-term medications shall be reviewed at least annually.

**B. Over-the-Counter (OTC) or Non-prescription Medication**

All non-prescription drugs taken at school shall comply with the following:

- (a) must be delivered to the principal's office by the parent/guardian of the student at which time the amount of medication will be recorded by school personnel
- (b) must be brought in the manufacturer's original container with the ingredients listed and the child's name affixed to the container
- (c) require a signed parent/guardian request which shall include (refer to prescription meds. Part B)

If the child is required to take non-prescription medication on a long-term basis, the parent/guardian should indicate this in writing.

**ALL UNUSED MEDICATION (PRESCRIPTION AND NON PRESCRIPTION) SHOULD BE PICKED UP BY THE PARENT/GUARDIAN WITHIN FIVE (5) DAYS OF NOTIFICATION OR IT WILL BE DESTROYED.**

**C. Short-term Medication**

If a student is required to take prescription or non prescription medication on a short-term basis (for example, 1-2 weeks), scheduling doses before and after school hours is recommended.

**D. Medical Procedures/Treatment**

All procedures/treatments require written orders by a licensed practitioner and signed parental consent prior to the procedure being performed in the school setting by licensed personnel. If a student self-performs a medical treatment or procedure, a designated area shall be provided to ensure

the student's privacy. All other healthcare procedures not performed by the student with or without assistance must be performed by a licensed healthcare professional/school nurse.

#### **E. Unauthorized Medication**

A student's possession of any unauthorized medication with the exception of inhalers for asthmatic conditions could be considered a zero tolerance offense.

#### **F. Exemptions By Law**

Tennessee law permits certain emergency procedures to be performed by school personnel with appropriate training. Those laws include T.C.A. 68-140-510 training for epinephrine injections which allows any lay person who has been trained to administer epinephrine and the amendment to T.C. A. 49-5-415 regarding Glucagon administration. It states that school personnel who volunteer and have been properly trained may administer Glucagon in emergency situations. No school system is required to have volunteer school staff trained. Fayetteville City Schools will not use volunteers. Each school shall have a plan of action in case of such an emergency. The school nurse will be responsible for handling any emergency of this nature and the plan of action will be used if the nurse is not in the building.

#### **Illness, Injury or Accident**

If the child becomes sick, injured or involved in an accident while at school, the parent will be notified of the extent of the illness, injury or accident. He/she will be admitted to the school health clinic for assessment and evaluation. In cases of extreme emergency the following steps will be implemented, unless otherwise instructed by parent/guardian:

- attempt to contact parent/guardian or emergency contact listed on school record
- if illness, injury or accident is life-threatening, emergency assistance (911) will be contacted and child will be transferred to the nearest healthcare facility
- continued efforts will be made to contact parent/guardian, along with the child's physician, in order that the child may receive the best possible care

#### **Head Lice**

In order to avoid an outbreak of head lice, each child will be checked periodically to determine the presence or absence of lice. This procedure ensures that our school continues to provide a safe and healthy environment. If a child should be found to be infested, the parent/guardian will be notified by a school official and **must pick up the child within two hours of notification.**

In order for the child to return to school, the following steps must be completed:

1. proof of lice treatment must be presented to a school official
2. student must be accompanied by a parent/guardian to the school office to be checked
3. student must be lice and "nit" (lice eggs) free **before returning to the classroom**

Written instruction and verbal information about the treatment and prevention of future outbreaks of head lice will be provided to the parent/guardian.

### **Other Contagious Diseases**

Schools appear to be the perfect place for contagious childhood diseases such as chicken pox, pink eye, flu, colds, rashes, strep throat, viral infections, etc. In order to minimize these health problems, we ask that students do not attend school when contagious. The nurse or school official will determine if a child needs to be dismissed from school because of illness. Parents will be called and will be required to pick up their child within two hours of the phone call.

### **EMERGENCY PROCEDURES**

Periodically the school holds emergency fire, tornado, bomb threat, earthquake and intruder drills. On and off, repeated sounds from the alarm system will signal immediate evacuation of the building. Continuous sounding of the bell is the signal for a shelter drill. All students take shelter inside as directed by the teacher. **A Crisis Plan is in place. (See Fayetteville City Board Policy F8A)**

### **TELEPHONE**

Students must have written permission from the teacher to use the telephone for outgoing calls. Messages will be taken in the office and given to students on incoming calls.

### **PARENTS VISITING THE CAMPUS**

At this time, parents will not be able to enter the building without a scheduled appointment. All parents will be required to wear a mask and receive a temperature check.

A duplicate card will be sent home for signing. **A charge of \$1.00 is made for lost cards.**

**GRADING POLICY**

This school believes that the issuance of grades serves to promote continuous evaluation of student performance, to inform the student and parents of student progress, and to provide a basis for causing needed changes in student performance. Pre-Kindergarten and Kindergarten use a report card checklist. In addition, teachers will have averaged grades of individual work to substantiate the letter assignment. First, Second, Third and Fourth Grades use the state grading system. Grades are expressed by numerical values with corresponding letter grades according to Tennessee’s uniform grading policy. The numerical values are equivalent to the following letter grades:

|   |          |   |            |
|---|----------|---|------------|
| A | (93-100) | D | (70-74)    |

### **NOTIFICATION OF RIGHTS UNDER FERPA FOR ELEMENTARY AND SECONDARY INSTITUTIONS**

The Family Educational Rights and Privacy Act (FERPA) affords parents certain rights with respect to the student's education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the District receives a written request for access.
2. The right to request the amendment of the student's education records that the parents believe are inaccurate or misleading.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA.

*The Fayetteville City Schools participate in some federal programs which help fund educational programs in our schools. This parent notification information will help you to better understand our schools and programs.*

*Public Law 107-110, "No Child Left Behind Act" (NCLB) encourages parents to be actively involved and knowledgeable about their schools and their children's education.*

### **TESTING POLICIES**

**In accordance with the T.C.A. § 49-6-6007, Fayetteville City Schools will post all state mandated testing information on the system website no later than July 31<sup>st</sup> each year. The school will provide assessment information to parents at parent and teacher meetings or by sending that information home with the students.**

### **PARENTAL NOTIFICATION under the Elementary and Secondary Education Act (ESEA)**

The Elementary and Secondary Education Act (ESEA) makes it clear that Congress expects Local Educational Agencies (LEAs) and schools receiving federal funds to ensure that parents are actively involved and knowledgeable about their schools and their children's education. The law requires schools to give parents many different kinds of information and notices in a uniform and understandable format and, to the extent practicable, in a language that the parents can understand. Listed below are some of these required notices that must be made to parents by school districts or individual public schools.

**Written complaint procedures:** LEAs disseminate free of charge to parents of students, and to appropriate private school officials or representatives, adequate information about the State Educational Agency's (SEA) written complaint procedures for resolving issues of violation(s) of a Federal statute or regulation that applies to Title I, Part A programs. [34 CFR §200.11(d)]

**Teacher qualifications:** At the beginning of each school year, a district that receives Title I funds must notify parents that they may request information regarding the professional qualifications of their children's classroom teachers. If a parent requests the information, it must include at least:

- whether the teacher has met state qualifications and licensing criteria for the grade levels and subject areas taught;
- whether the teacher is teaching under emergency or other provisional status;
- the baccalaureate degree major of the teacher; and
- any other graduate certification or degree held by the teacher and the field of discipline of the certification or degree.

The information must also disclose whether the child is provided services by paraprofessionals, and if so, their qualifications. [20 U.S.C. §6311(h)(6)]

Title III requires that each eligible entity receiving a subgrant under §3114 shall include in its plan a certification that all teachers in any language instruction educational program for limited English proficient children that is, or will be, funded under this part are fluent in English and any other language used for instruction, including having written and oral communication skills. [ESEA Title III, Part A, §3116(c)]

**Non-highly qualified teachers:** A Title I school shall provide each individual parent timely notice that the parent's child has been assigned, or has been taught for four or more consecutive weeks, by a teacher who is not highly qualified. [20 U.S.C. §6311(h)(6)(B)] [ESEA Title I, Part A, §1111(h)(6)(A) and (h)(6)(B)(ii)]

**Student privacy:** Districts must give parents annual notice at the beginning of the school year of the specific or approximate dates during the school year when the following activities are scheduled or expected to be scheduled:

- activities involving the collection, disclosure or use of personal student information for the purpose of marketing or selling that information;
- administration of surveys containing request for certain types of sensitive information;
- any non-emergency, invasive physical examination that is required as a condition of attendance, administered by the school, scheduled in advance and not necessary to protect the immediate health and safety of student.

A district must develop and adopt policies regarding the rights of parents to inspect:

- third party surveys before they are administered or distributed to students;
- measures to protect student privacy when surveys ask for certain sensitive information;
- parental right to inspect any instructional materials;
- administration of physical examinations or screening of students;
- collection, disclosure or use of personal information from students for the purpose of marketing or selling that information; and

- the parental right to inspect any instrument used to collect personal information before it is distributed to students.

Districts must give parents annual notice of an adoption or continued use of such policies and within a reasonable period of time after any substantive change in such policies. [20 U.S.C. §1232h(c)(2)] [ESEA Title II, Part F, §1061(c)]

**Public release of student directory information:** Under the Family Education Rights and Privacy Act (FERPA), an LEA must provide notice to parents of the types of student information that it releases publicly. This type of student information, commonly referred to as “directory information,” includes such items as names, addresses and telephone numbers and is information generally not considered harmful or an invasion of privacy if disclosed. The notice must include an explanation of a parent’s right to request that the information not be disclosed without prior written consent.

Additionally, §9528 requires that parents be notified that the school routinely discloses names, addresses and telephone numbers to military recruiters upon request, subject to a parent’s request not to disclose such information without written consent.

A single notice provided through a mailing, student handbook or other method that is reasonably calculated to inform parents of the above information is sufficient to satisfy the parental notification requirements of both FERPA and §9528. The notification must advise the parent of how to opt out of the public, nonconsensual disclosure of directory information and the method and timeline within which to do so. [ESEA §9528]

**Military recruiter access to student information:** Districts receiving federal education funds must notify parents of secondary school students that they have a right to request their child’s name, address and telephone number not be released to a military recruiter without their prior written consent. Districts must comply with any such requests. [20 U.S.C. §7908(a)(2)] [ESEA §9528]

**Parental involvement:** A district receiving Title I funds and each school served under Title I must develop jointly with, agree on with, and distribute to, parents of children participating in Title I programs, a written parental involvement policy. If a school or district has a parental involvement policy that applies to all parents, it may amend the policy to meet the requirements under the ESEA. [ESEA Title I, Part A, §1118(a)(2)] [20 U.S.C. §6318(b); (c)]

Parents shall be notified of the policy in an understandable and uniform format and, to the extent practicable, provided in a language the parents can understand. Such policy shall be made available to the local community and updated periodically to meet the changing needs of parents and the school. [ESEA Title I, Part A, §1118(b)(1)]

Schools must hold at least one annual meeting for Title I parents;

- offer a flexible number of meetings;

- involve parents in an ongoing manner in the planning, review and improvement of Title I programs;
- provide Title I parents with timely information about the programs, a description and explanation of the curriculum, forms of academic assessment and expected levels of student proficiency;
- if requested, provide opportunities for regular meetings to discuss decisions related to the education of their children; and
- develop a school-parent compact that outlines the responsibilities of each party for improved student academic achievement. *[ESEA Title I, Part A, §1118(c)]*

Title III requires that each eligible entity receiving a subgrant under §3114 submit a plan to the SEA that describes how the eligible entity will promote parental and community participation in programs for limited English proficient children. *[ESEA Title III, Part A, §3116(b)(4)]*

Title III-funded LEAs are required to implement an effective means of outreach to parents of limited English proficient children to inform such parents of how they can be involved in the education of their children and be active participants in assisting their children to learn English, achieve at high levels in core academic subjects and meet the same State content and achievement standards all children are expected to meet.

*[ESEA Title III §3302(e)]*

**Report cards on statewide academic assessment:** Each school district that receives Title I, Part A funds must prepare and disseminate an annual report card. Generally, the state or district must include on its report card information about public schools related to student achievement, accountability, teacher qualifications and other required information, as well as any other information that the state or district deems relevant.

These report cards must be concise and presented in an understandable and uniform format accessible to persons with disabilities and, to the extent practicable, provided in a language that parents can understand. In Tennessee, these requirements are met through our State's report card. *[ESEA Title I, Part A, §1111(h)(1) and (h)(2)]*

**Individual achievement on state assessment:** A school that receives Title I funds must provide each parent information on the achievement level of their child on each of the state academic assessments as soon as is practicably possible after the test is taken. *[20 U.S.C. §6312(c)(1)(N)] [ESEA Title I, Part A, §1111(h)(6)(B)(i)]*

All schools must provide to parents, teachers and principals the individual student interpretive, descriptive and diagnostic reports, which allow specific academic needs to be understood and addressed, and include information on the student's achievement on academic assessments aligned with State academic achievement standards. *[ESEA §1111(b)(3)(C)(xii)]*

**National Assessment of Education Progress:** Districts, schools and students may voluntarily participate in the National Assessment of Educational Progress (NAEP). Parents of children selected to participate in any NAEP assessment must be informed before the assessment is administered that their child may be excused from participation for any reason, is not required to finish any assessment and is not required to answer any test question. A district must make reasonable efforts to inform parents and the public about their right to access all assessment data (except personally identifiable information), questions and current assessment instruments. *[ESEA Title VI, Part C, §411(c)(1); (d)(1)–(2)]*

**School-wide programs:** A district must inform eligible schools and parents of school-wide program authority under which such schools may consolidate funds from federal, state and local sources to upgrade the entire educational program of the school. The school must serve an eligible attendance area in which at least 40% of the children in the area or enrolled in the school are from low-income families. *[20 U.S.C. §6312(c)(1)(A)] [ESEA Title I, Part A, §1114]*

**Progress review:** Each LEA shall publicize the results of the annual progress review to parents, teachers, principals, schools and the community so that the teachers, principals, other staff and schools can continually refine, in an instructionally useful manner, the program of instruction to help all children served under Title I to meet the challenging State student academic achievement standards. *[ESEA §1116(a)(1)(C)]*

**Safe and drug-free schools programs:** A district receiving safe and drug-free school program funds must inform and involve parents in violence and drug prevention efforts. The district must make reasonable efforts to inform parents of the content of safe and drug-free school programs and activities other than classroom instruction. If a parent objects in writing, the district must withdraw the student from the program or activity. *[20 U.S.C. §7116(b); 20 U.S.C. §7163]*

**Limited English proficiency programs:** A school district that uses federal funds to provide a language instruction education program for children with limited English proficiency must no later than 30 days after the beginning of the school year inform the parents of each child identified for participation or participating in such a program:

- the reasons for the identification of the child as limited English proficient;

- methods of instruction used in the program in which their child is participating and methods of instruction used in other available programs;

For a child not identified as limited English proficient prior to the beginning of the school year, the district must notify parents within the first two weeks of the child being placed in such a program. [20 U.S.C. §6312(g); §7012(a)–(d)] [ESEA Title I, Part A, §1112(g)(1)–(4)]

Each eligible entity using Title III funds to provide a language instruction education program, and that has failed to make progress on the annual measurable achievement objectives shall separately inform the parents of children identified for participation in such program, or participating in such program, of such failure not later than 30 days after such failure occurs. All required information shall be provided in an understandable and uniform format and, to the extent practicable, in a language that the parent can understand. [ESEA, Title III, Part C, §3302(b)(c)]

**Homeless children:** To be eligible for funds, the school must provide written notice, at the time any child seeks enrollment in such school, and at least twice annually while the child is enrolled in such school, to the parent or guardian or unaccompanied youth that, shall be signed by the parent or guardian or unaccompanied youth; that sets forth the general rights provided; and specifically states:
