

FAYETTEVILLE CITY SCHOOLS

We at Fayetteville City Schools want to assure parents that the safety and well-being of all our students and staff is our TOP PRIORITY. In the event of a positive case at one of our schools, contact tracing will begin immediately. For anyone determined to have had close contact, FCS will make every effort to contact parents/guardians via phone and/or email within 24 hours. If you are notified, your child will need to quarantine for 14 days. While quarantining, your child may not attend school or any school activities. However, the student should continue working digitally in order to be counted present.
