

# FAYETTEVILLE CITY SCHOOLS

Dear FCS families,

As you know, we are doing everything possible to provide our students with the best education possible in this unprecedented time. Remote Learning is the very cutting edge of the education process; therefore, we want to ensure that we are providing our students, both traditional and virtual, the best education possible. Remote Learning Wednesdays will help us make this possible for all students and teachers.

Starting Wednesday, September 2nd, all FCS students will be remote learners on Wednesdays. Students will NOT report for in-person learning on these days. All students will continue learning remotely Wednesdays and must complete assignments and other methods of “attendance” in order to be considered present for school on Wednesdays. Remote Learning could include electronic, hands on, paper/pencil, independent reading, projects, videos, Google meets, etc. Specific instructions and assignments will be sent by your child’s teacher.

Remote Learning Wednesdays will be an opportunity for all students to become familiar with the process of remote learning and help prepare both teachers and students if it were to become necessary for all students to move to full remote learning due to COVID-19. These Remote Learning Wednesdays will also allow teachers to be available to meet with parents of our students by appointment, either virtually or in-person, to help families of current remote learners navigate these uncharted waters.

Breakfast and lunch will be available for pickup at your child's school. These meals will have to be paid for unless you are a part of the federal free/reduced meal program. To pick up meals, you will need to call by 1 PM on Tuesdays to place your order. You can call your child's cafeteria: RAS 931-433-4001, FMS 931-438-5771, and FHS 931-433-2969. Meals may be picked up between the hours of 10 AM and 11 AM on Wednesdays. Breakfast and lunch can be picked up during this time if ordered on Tuesday.

Please make arrangements, if necessary, for childcare on these dates: September 2nd, 9th, 16th, 23rd, and 30th. If we extend Remote Learning Wednesdays beyond our scheduled fall break, we will give notice in advance so that arrangements can be made.

Our goal is to work with our families and students and provide as many opportunities as we possibly can during this difficult time. As time passes, we will monitor and adjust the programs we offer to best meet the needs of our students. Thank you for your understanding and support of Fayetteville City Schools.
