

FAYETTEVILLE HIGH SCHOOL

Thanks to everyone who came out for our Virtual Meeting last night. If you missed the meeting or could not attend, please contact the school office to set up a time to come in and pick up your student's information and Chromebook.

Once students have the devices, they should make sure that they can log in to the Chromebook, they can access their school email, and access their Edmentum Courseware software through their Clever account.

We plan for full implementation of online classes beginning Thursday, Aug 13. If you are experiencing issues, please use the Technology Assistance Form found on the FHS school website to submit your request, and a staff member will contact you in order to resolve the issue.

You are reminded that any student forms in the virtual packet need to be returned to the school office no later than Tuesday, Aug. 18.

Thank you again, and Go Tigers!
