“Going Virtual”

December 10-17

Dear RAS Families,

Due to the increase in COVID cases within our schools and across our community, the Fayetteville City School System has determined it in the best interest of our school family to conduct virtual learning for all students beginning Thursday, December 10th. Our teachers and staff are fully prepared to provide your child with the best education possible during these 6 days of virtual learning. Google Meets, Videos, and Student Work Packets will be used as instructional tools. Attendance will be required so it is imperative that your child login each morning for his/her google meets and complete all materials provided by the teachers.

Our students LOVE the RAS Morning Show that is typically conducted by our student anchors. We decided to continue this with our teachers taking on the role of anchors! At 8:30 each morning, we will conduct our RAS Morning Show. We encourage you and your family to tune in as teachers conduct skits, read stories, sing songs and announce our birthdays for the day. If you cannot watch it live, we will post it on the RAS Facebook Page!

Thank you for your continued support in making our school the best it can be! Don't hesitate to call me if you need me.
